SUMMER PROGRAMS 2019

Intermediate Musical Theatre

Grades 6-8

July 29 – August 2

Students' acting, voice and dance skills will be challenged and expanded as they work with a music director, choreographer and director to dive into a popular Broadway musical. The week will end with a fully-produced studio presentation of the material covered over the week.

Intermediate/Senior Acting for the Camera

Grade 6-12

August 5 - 9

Students will study advanced classes in film acting, scene study, and the many aspects and roles involved in filmmaking with the award winning filmmakers of *Strike Pictures*. The professional team at *Strike Pictures* will lead students through the experience of being directed in a film scene, which will then be edited and screened at the end of the week. Students will then apply what they've learned by creating their own film they will present at the screening.

Intermediate/Senior Acting

Grade 6- 12

August 12 – 16

Focusing on acting training and performance, students will study acting theory, voice work, and movement. Students will also take workshops in various different performance styles such as pantomime, improvisation, puppetry, and physical theatre. These skills will be applied through monologue and scene studies that will be presented at the end of the week for friends and family.

Improv Intensive

Grades 6-12

July 8-11

Embrace spontaneity, develop group awareness, and hone your impulses to create captivating and hilarious stories... without the use of a script!

Whether you're an experienced improviser or an actor looking to expand your performance skills, our Improv Intensive is the place for you. In partnership with the professional improv company, Hot Garbage Comedy, this intensive will focus on developing skills such as creativity, listening, quick thinking, and the concept of "group mind"--the ability to be creatively in-synch with your cast mates.

Stage Combat Intensive

Grades 6-12

July 15-18

This intensive will guide students through the art of stage combat: performing the illusion of violence on stage and on film while prioritizing safety and storytelling. Students will learn the skills and techniques of unarmed and sword fighting. Students will then apply their training to learn and create choreographed combat scenes, allowing them explore the acting and storytelling aspects of stage combat as they dig in to the role of conflict and combat in the context of a play.

Musical Theatre Dance Intensive

Grades 6-12

August 19-22

This intensive is designed to help students improve and explore their dance knowledge in the world of Musical Theatre. We will be focusing on conditioning, flexibility training, and technique to better understand the way we move. This class will also learn selections of stylized choreography from some of Broadway's hottest hits in Tap, Jazz, and other styles suited for the Broadway stage. Gain confidence dancing in musicals while learning in a fun, encouraging and safe environment.
