### Leader in Training Program

TRAINING DAY Thursday June 27 9-4 PM

The Leader in Training Program is an opportunity for students in grades 6 and up to learn and build confidence in instruction and arts leadership. Participants will attend a day-long training workshop where they will learn about breaking down and leading warm ups, games, and activities for different age groups, the basics of blocking and choreographing, problem solving and student safety, and how to assist with props and other production needs. Participants will be scheduled to volunteer and assist with a Theatre School summer camp where they will get to learn from our Summer Theatre School Instructors and gain hands-on experience with our theatre school students
