# **Hadestown: Teen Edition** **by Anaïs Mitchell**

**TNB Theatre School's Senior Musical Theatre students will be taking on the newly released Teen Edition of the Tony Award winning musical, Hadestown!**

**Following two intertwining love stories - that of young dreamers Orpheus and Eurydice, and that of immortal King Hades and lady Persephone - Hadestown invites audiences on a hell-raising journey to the underworld and back. Inspired by traditions of classic American folk music and vintage New Orleans jazz, Mitchell's beguiling sung-through musical pits industry against nature, doubt against faith, and fear against love. This intriguing and beautiful folk opera delivers a deeply resonant and defiantly hopeful theatrical experience.**

**\*Recommended for ages 10+**

**Originally produced on Broadway by Mara Isaacs, Dale Franzen, Hunter Arnold and Tom Kirdahy.**

**Original New York Production developed with and directed by Rachel Chavkin.**

The child on the left has dark hair, the middle child has light hair and a headband, and the child on the right has dark hair.
